

MBA Focus

Where the world's top employers and talent connect.

MBA Focus provides a permanent pipeline of business leaders, from entry-level to executive, via our exclusive partnerships with over 70 top MBA Programs and MBA professional associations. Through these longstanding relationships, MBA Focus provides annual access to over 75,000 pre-qualified business leaders. This unique talent pipeline continues to grow as the schools and associations continually market this service directly to their current students and experienced alumni.

Product and Services

We're the market leader in MBA recruiting — connecting leading employers with the world's top-ranked graduate business schools. Our exclusive school partnerships and industry-leading recruitment management technology products make us the #1 choice of companies seeking top MBA talent.

Today we are proud to bring an ever-expanding range of opportunities to MBA talent in North America, Europe, and Asia through our network of:

75,000 MBAs from 70+ Business Schools

Our exclusive school partnerships are comprised of the world's top MBA programs including their students and alumni. These schools count on us for their online resume books, job boards and office automation needs in order to increase the visibility of their candidates and provide their students with more diverse and quality career opportunities.
